

Congratulations!

Your Maths skills are impressive !!

You have managed to reach level 5!

Finally the bus stops, and the bus driver tells you all to get down as the bus trip came to an end. You look around you, but you have no idea where you are. You find yourself in a square surrounded by 4 impressive buildings. But which one is going to give you a clue as to which village you are in?

cesie
the world is only one creature

Look on the right. Where is this locality?

Co-funded by
the European Union

cesie
the world is only one creature

Hint

Use the name of this locality to unlock the next level (level 6).
