

Congratulations!

The Captain ate all the food you gave him and has let you aboard his boat. You have reached level 8!

You finally started your trip towards the capital city of Malta; Valletta.

Luckily the sea is calm, and you enjoy the ride to the other side. You arrived in Valletta, and try to ask for directions. However no one is answering you, because they cannot understand your language, but one young man stops and tries to give you coordinates to find the location you want.

Decipher the following puzzle to find the coordinates.
